EMUC Symposium on Genitourinary Pathology and Molecular Diagnostics

Thursday, 24 November
14:30 - 17:30

**Location:** Amber 5

**Chairs:**
- A. Briganti, Milan (IT)
- R. Montironi, Ancona (IT)
- J. N’Dow, Aberdeen (GB)
- H. Van Poppel, Leuven (BE)

14:40 - 15:10
**Latest novelties on the WHO morphological classifications of genitourinary cancers**
J. Epstein, Baltimore (US)

15:10 - 15:40
**The 8th edition of the TNM staging (AJCC and UICC) of the genitourinary tumors: Implications from January 2017 and beyond**
M.B. Amin, Los Angeles (US)

15:40 - 17:30
**Round Table: From morphology to personalised medicine in genitourinary cancers**

14:40 - 15:55
**Kidney cancer**  
Update on molecular pathology with clinical implications
H. Moch, Zurich (CH)

15:55 - 16:10
**How to translate advances in molecular pathology into clinical practice?**
B. Ljungberg, Umeå (SE)

16:10 - 16:25
**Prostate cancer**  
Update on molecular pathology with clinical implications
C. Magi-Galluzzi, Cleveland (US)

16:25 - 16:40
**How to translate advances in molecular pathology into clinical practice?**
N. Mottet, Saint-Étienne (FR)

16:40 - 16:55
**Urothelial carcinomas**  
Update on molecular pathology with clinical implications
A. Hartmann, Erlangen (DE)

16:55 - 17:10
**How to translate advances in molecular pathology into clinical practice?**
A. Necchi, Milan (IT)

17:10 - 17:30
**Discussion**
